### Report on Vision Screening and Referral Initiative at Chandpur, Bijnor

**Organized by:** Department of Ophthalmology, Himalayan Institute of Medical Sciences (HIMS), Swami Rama Himalayan University (SRHU)

**Location:** Chandpur, Bijnor

**Date:** 14 October 2024

**Number of Participants:** 2 students

#### 1. Introduction

The Vision Screening and Referral Initiative at Chandpur, Bijnor was organized with the objective of identifying potential vision-related issues among students and guiding them toward appropriate medical care when necessary. Early detection of visual problems is essential for preventing long-term complications and ensuring academic performance.

#### 2. Activities Conducted

- Vision Screening:**

Basic vision assessment was conducted for participating students to check visual acuity and identify early signs of refractive errors or other eye conditions.

- Counseling and Awareness:**

Students were informed about the importance of early vision screening, potential symptoms of eye problems, and the need for timely medical attention.

- Referral Guidance:**

In cases where further evaluation was needed, students were advised on proper referral pathways to connect them with specialized eye care services.

#### 3. Outcome

The initiative helped students become more aware of eye health and provided preliminary screening that may help in early detection of vision issues. The personalized counseling ensured that participants understood the importance of follow-up care if required.

#### 4. Conclusion

The Vision Screening and Referral Initiative at Chandpur, Bijnor was successfully conducted and benefited the participating students. Even with a small participant group, the

program contributed to promoting eye health awareness and encouraging early intervention practices. Continued outreach activities are recommended to extend this impact across more communities.

## Glimpse of the Event

Active student involvement in community-based eye screenings.

People actively participating in the community eye-care camp
