

DEPARTMENT OF COMMUNITY MEDICINE HIMS, SRHU, DEHRADUN

FAMILY PLANNING AWARENESS

Date : 11-07-2024

Time: 9.30am-1.30pm

Location: RHTC Gauhri Mafi, UHTC Kurkawala

No. of Students: 5

Activity Detail: World Population Day, celebrated annually on July 11th, is a global initiative aimed at raising awareness about population issues and their implications for sustainable development. The theme for 2024, "Leave No One Behind, Count Everyone," emphasized the importance of inclusive data collection and ensuring that all individuals, regardless of their socioeconomic background or geographic location, are accounted for in population statistics.

The program started by presenting a wonderful slide-show by Dr Anil Bisht (Post Graduate Resident) in the department where the staff of the department were made aware about the day and issues pertaining to it. Next, to commemorate World Population Day and promote awareness about reproductive health and family planning, Dr. Avani and Dr. Anil Bisht, post graduate residents in the Department of Community Medicine, conducted health education sessions at Rural and Urban health centers.

Attendance:

11-07-2024				
	S.No.	Name of Students	Signature	
	1	Ria Jain	<i>Ria</i>
