**Activity Detail** –

The comprehensive support program for TB patients has been launched by RDI-SRHU to improve the health status of the TB patients in Dehradun and Haridwar districts. Under this program, general health checkups, consultations and awareness sessions are organized at CHC level. The TB patients are also given protein rich Nutrition Kits which is a very important part for the person under treatment.

On 5 October 2024, one such camp was organized at CHC Doiwala in which 55 patients attended the camp. Along with medical checkups all the patients were provided with nutrition kits. The weight and height were also checked to assess their improvement in their health status.
