Time – 9am-2pm

Program – Comprehensive Community Health Program

Location – Salempur, Haridwar

Beneficiaries – 23

Supporting Agency – Wipro Cares

University Role – Staff – 3, Student - 2

Activity Detail - Maternal health camps are organized for pregnant and lactating women in the project area every Wednesday and Saturday. One such camp was conducted in Salempur village of Bahadrabad villages of Haridwar district under Wipro Cares Health program. The camp was conducted by a team of lady doctor, pharmacist, nurse, counsellor, field supervisor and students.

A total of 23 women in their antenatal and postnatal period were screened during the camp. The services, such as general examination, risk assessment, and primary investigation, including Blood Pressure, sugar, and haemoglobin were offered. Prophylactic treatment for anaemia and micronutrients along with counselling sessions on nutrition, family planning, self-care during pregnancy, institutional delivery, breastfeeding, personal hygiene were enabled in the camp.
