CANCER SENSITIZATION SESSIONS

Date: 04.02.2025

Time: 10.30am-4.30pm

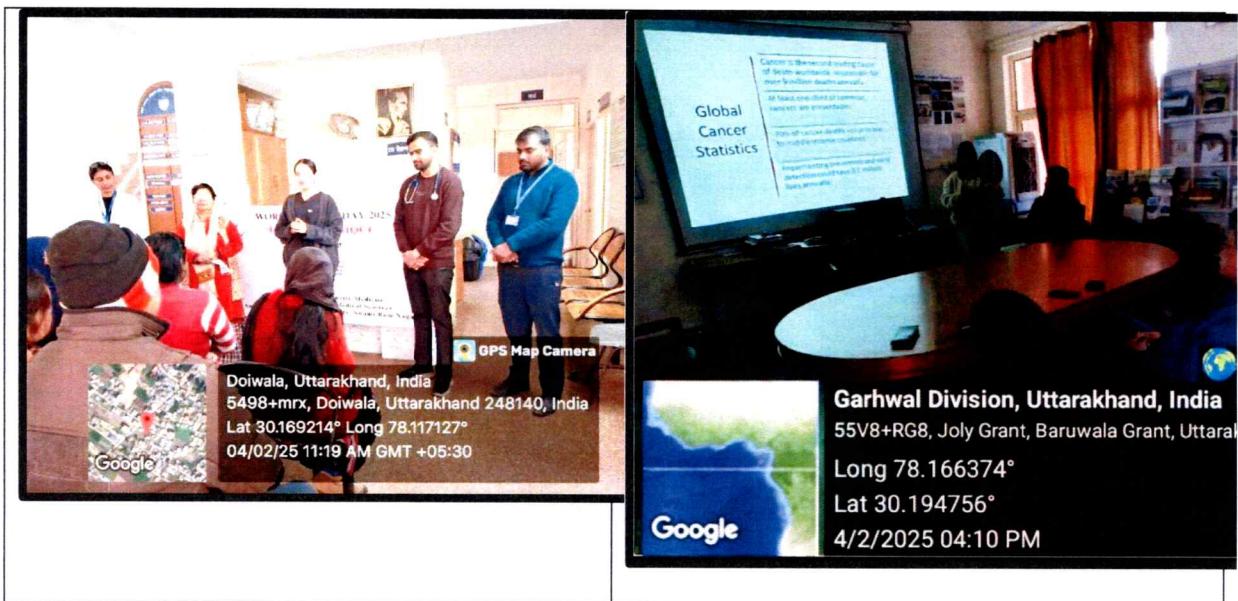

Venue: HIMS, UHTC Doiwala, RHTC Gauhrimafi, Himalayan College of Bioscience

Number of Students Participated: 6

Activity details: Every year on 4th February, World Cancer Day is observed to raise awareness, improve education and catalyse personal, collective and government actions in preventing death due to cancers. It is the second leading cause of death worldwide. With rising numbers every year, it is estimated that by 2030 more than 18 million individuals will be affected by cancers. The theme for this year was “**United by Unique**”. Thus, on this occasion, Department of Community Medicine conducted an awareness session at UHTC Kurkawala, RHTC Gauhrimafi and SPS Rishikesh. An awareness session was also conducted for the ASHAs who are undergoing training under 6 month ASHA Certificate Course under the guidance of Mr. Sunil Khanduri. A presentation was also done in the Community Medicine department on this year’s theme of World Cancer Day 2025.
