Many residents, especially those from disadvantaged communities may lack access to regular healthcare facilities, leading to untreated conditions and poor quality of life. A total of 58 people benefitted from regular checkups by providing essential medicines. These initiatives not only address immediate health needs but also contribute to the overall well-being of the community. In this Medical Camp, we checked some tests of patients like -Sugar level, haemoglobin test, Blood pressure & Weight. The camp was well organized by Ms. Maya, Ms. Nirmala, Mr. Kripal Singh, Mr. Vikas and students. Their Hard Work and dedication to community service are much appreciated.
