**Activity Detail** – Institute of Rural Development HIHT - NSIL organized a General Camp on 29-1-2025 at Badon Nagthat near Kalsi Dehradun. The upper Himalayan region is significant due to the diverse population of the region and varying access to healthcare services. Many residents, especially those from disadvantaged communities may lack access to regular healthcare facilities, leading to untreated conditions and poor quality of life. A total of 56 people benefitted from regular checkups by providing essential medicines. These initiatives not only address immediate health needs but also contribute to the overall well-being of the community. In this Medical Camp we checked some tests of patients like -Sugar level, hemoglobin test, Blood pressure & Weight.
