Certificate

This is to certify that Experts of Himalayan Institute Hospital Trust, Swami Rama Himalayan University, Jolly Grant, Dehradun, Key Resource Centre of National Jal Jeevan Mission visited our district Rudraprayag for imparting training to our engineers and officers working for water supply sector in district. This training was organized from **March 14th to March 16th, 2024** under the compliance of Ministry of Jal Shakti, Government of India for capacity building of the engineers and officers. The three days residential training was organised on "**WASH Services during Disaster and Emergencies and Ensuring Climate Resilience System**" in which 43 engineers and officers participated.

The topic of the training programme was mainly focused on "**WASH Services during Disaster and Emergencies and Ensuring Climate Resilience System**" apart from other different aspect of community participation, JJM guidelines, and important components of water supply system, quality, and sustainability issues, rainwater harvesting, Digital Transformation, SBCC and O&M of water supply. The team of experts & resource persons trained our officers on different aspects including the actual implementation and field visit. Participants appreciated the quality of training. Overall, the training programme was very useful and beneficial to our officers.

I convey my best wishes to the Organization and team of resource person.
