

# Sustainable Development & Socio-Economic Transformation

Description	Remarks	Link
<b>SDG 1: No Poverty</b> 	<ul style="list-style-type: none"> <li>SRHU has been empowering rural communities through sustainable livelihood programs:</li> <li>Trained 5,000+ farmers in organic and aromatic crop cultivation.</li> <li>Promotes sustainable livelihoods and self-reliance in rural areas.</li> <li>Supports income generation through skill development and entrepreneurship.</li> <li>Contributes directly to poverty reduction and community resilience.</li> </ul>	<a href="#">No Poverty</a>
<b>SDG 2: Zero Hunger</b> 	<ul style="list-style-type: none"> <li>SRHU empowers rural farmers by providing training, enhancing yield quality, and promoting food security.</li> <li>The university promotes nutrition and income through sustainable farming practices and direct market linkages, supporting local livelihoods.</li> <li>Skill-building initiatives from the Rural Development Institute (RDI) also support food sustainability, equipping youth with agricultural and vocational training.</li> </ul>	<a href="#">Zero Hunger</a>
<b>SDG 3: Good Health and Well-being</b> 	<ul style="list-style-type: none"> <li>The Himalayan Hospital offers comprehensive healthcare through a 1,200-bed NABH-accredited hospital, AYUSH clinics, and a state-of-the-art Skill &amp; Simulation Centre—the first of its kind in Uttarakhand.</li> <li>Promotes holistic health with yoga, lifestyle education, and learning disability support services for children.</li> <li>Leads over 50+ funded health research projects and multiple national/international collaborations addressing cancer, NCDs, maternal-child health, and diagnostics.</li> <li>Conducts wide-reaching outreach: community health camps, vaccination drives, maternal-child programs, and health education across 60+ medical courses.</li> </ul>	<a href="#">Good Health and Well-being</a>  <a href="#">Certificates of Appreciation</a>
<b>SDG 4: Quality Education</b> 	<ul style="list-style-type: none"> <li>SRHU offers inclusive, holistic education from primary to higher levels, integrating modern science with traditional wisdom.</li> <li>With 4,743+ skill-oriented courses, adaptive learning, ICT-enabled classrooms, and MOOCs, it fosters lifelong learning.</li> <li>Scholarships, inclusive infrastructure, and assistive technologies ensure access for all, especially underprivileged and differently-abled students.</li> <li>Internships, faculty development, research, and global partnerships enhance competency, employability, and innovation.</li> </ul>	<a href="#">Quality Education</a>  <a href="#">Web link for LMS</a>

<b>SDG 5: Gender Equality</b>  	<ul style="list-style-type: none"> <li>SRHU integrates gender sensitivity across more than 200 courses and conducts regular training for staff and students to challenge stereotypes and biases.</li> <li>It ensures a safe, inclusive campus through CCTV surveillance, ICCs, maternity leave, childcare, and sanitary facilities.</li> <li>Women's empowerment is supported via scholarships, research leadership, STEM inclusion, and large-scale outreach in rural health and education.</li> <li>Special focus is placed on women's health through breast cancer awareness, menopause clinics, and reproductive care in underserved areas.</li> </ul>	<b>Gender Equality</b>  <b>Internal Complaints Committee</b>
<b>SDG 6: Clean Water and Sanitation</b>  	<ul style="list-style-type: none"> <li>SRHU ensures sustainable water use through rainwater harvesting, greywater recycling, and groundwater recharge systems across campus.</li> <li>It empowers over 550 rural villages through WASH programs, community training, and partnerships under the Jal Jeevan Mission.</li> <li>Advanced wastewater treatment, policy-driven management, and innovative patents (e.g., IoT irrigation) reflect its research-driven approach.</li> <li>Nationwide capacity-building programs have trained 5,000+ officials and engineers on water supply, aquifer recharge, and sanitation resilience.</li> </ul>	<b>Clean Water and Sanitation</b>  <b>Appreciation letters</b>
<b>SDG 7: Affordable and Clean Energy</b>  	<ul style="list-style-type: none"> <li>SRHU powers sustainability through a 2500 kW rooftop solar plant and a campus biogas unit, saving LPG and reducing emissions.</li> <li>Implements LED lighting, BLDC fans, BEE-rated appliances, and sensor-based systems to boost energy efficiency.</li> <li>Promotes a green campus with electric vehicles, restricted car entry, and eco-friendly landscaping.</li> <li>Energy awareness and regular environmental audits reinforce its commitment to clean energy and climate action.</li> </ul>	<b>Affordable and Clean Energy</b>  <b>Energy Conservation Practices at SRHU</b>  <b>Environmental Audit Certificate</b>
<b>SDG 8: Decent Work and Economic Growth</b>  	<ul style="list-style-type: none"> <li>SRHU ensures dignified employment through fair wages, gender equality, healthcare benefits, and anti-discrimination policies.</li> <li>Promotes entrepreneurship and economic resilience via rural development training, MSME partnerships, and incubation support.</li> <li>Offers 100+ skill-building programs in sectors like health, agriculture, and IT to enhance youth employability.</li> </ul>	<b>Decent Work and Economic Growth</b>

<b>SDG 9: Industry, Innovation, and Infrastructure</b>  <b>9 INDUSTRY, INNOVATION AND INFRASTRUCTURE</b> 	<ul style="list-style-type: none"> <li>SRHU promotes innovation through 50+ funded research projects, patents, and an active Institutional Innovation Council.</li> <li>Strengthens rural infrastructure by training over 6,000 individuals in sanitation, water safety, and agricultural technologies.</li> <li>Builds industry-academia linkages through 30+ MoUs, technology transfer, and vocational labs for real-world problem solving.</li> <li>Champions inclusive infrastructure with accessible buildings, clean energy systems, and ICT-enabled smart classrooms.</li> </ul>	<b>Industry, Innovation and Infrastructure</b>  <b>Incubation Center</b>  <b>Sample Report on Awareness Session</b>
<b>SDG 10: Reduced Inequalities</b>  <b>10 REDUCED INEQUALITIES</b> 	<ul style="list-style-type: none"> <li>SRHU promotes equity through scholarships, fee waivers, and inclusive education for economically and socially disadvantaged groups.</li> <li>Offers special support for differently-abled students—ranging from assistive devices to inclusive infrastructure and career services.</li> <li>Fosters diversity via cultural celebrations, student clubs like YOUNITE, and a curriculum focused on empathy, social equity, and accessibility.</li> <li>Impactful research and outreach address systemic barriers in healthcare, education, and employment for marginalised communities.</li> </ul>	<b>Reduced Inequalities</b>  <b>YOUNITE</b>
<b>SDG 11: Sustainable Cities and Communities</b>  <b>11 SUSTAINABLE CITIES AND COMMUNITIES</b> 	<ul style="list-style-type: none"> <li>SRHU maintains a green, inclusive campus—plastic-free, disability-friendly, and rich in biodiversity with over 5,000 trees.</li> <li>Promotes community resilience through outreach programs in sanitation, safe housing, telemedicine, and disaster preparedness.</li> <li>Drives sustainability via solid waste management, low-emission transport, and renewable energy infrastructure.</li> <li>Conducts research and training for government officials and engineers on sustainable urban planning and water-safe infrastructure.</li> </ul>	<b>Sustainable Cities and Communities</b>
<b>SDG 12: Responsible Consumption and Production</b>  <b>12 RESPONSIBLE CONSUMPTION AND PRODUCTION</b> 	<ul style="list-style-type: none"> <li>SRHU integrates sustainability into campus life through efficient waste management, solar energy, rainwater harvesting, and recycling systems.</li> <li>Promotes responsible practices among students and staff via green curricula, LED lighting, BLDC fans, and zero-plastic initiatives.</li> <li>Leads impactful research in water conservation, climate-smart technologies, and circular economy innovations like biogas and e-waste recycling.</li> <li>Certified for ISO 14001 and 50001, SRHU sets benchmarks in sustainable infrastructure and eco-conscious operations.</li> </ul>	<b>Responsible Consumption and Production</b>  <b>Water conservation practices at SRHU</b>  <b>Link for certificate</b>

<b>SDG 13: Climate Action</b> 	<ul style="list-style-type: none"> <li>Swami Rama Himalayan University actively supports SDG-13 through impactful climate action and sustainability efforts.</li> <li>The campus features solar energy use, rainwater harvesting, waste reduction, and tree plantation drives.</li> <li>Sustainability is embedded in academics, research, and student engagement, fostering climate awareness and innovation.</li> <li>Through eco-friendly infrastructure and behavior change campaigns, SRHU sets an example of responsible environmental stewardship.</li> </ul>	<b>Climate Action</b> <a href="#">Link for certificate</a>
<b>SDG 14: Life Below Water</b> 	<ul style="list-style-type: none"> <li>SRHU aligns with SDG-14 by promoting conservation of aquatic ecosystems through interdisciplinary education, research, and community outreach.</li> <li>The university tackles challenges like water pollution, overfishing, and habitat loss with research on sustainable aquaculture, pollution mitigation, and biodiversity preservation.</li> </ul> <p>It funds projects and publishes actively on marine sustainability, microplastics, and innovative water management solutions.</p>	<b>Life Below Water</b>
<b>SDG 15: Life on Land</b> 	<ul style="list-style-type: none"> <li>SRHU actively promotes biodiversity, eco-restoration, and sustainable land use through tree plantations, green audits, and rainwater harvesting.</li> <li>The campus boasts over 5,000 trees, solar energy infrastructure, and extensive water and waste management systems supporting ecosystem health.</li> <li>Programs like plastic-free campus campaigns, e-waste recycling, and energy-efficient buildings underscore SRHU's green commitment.</li> <li>Recognised with national awards, SRHU integrates environmental stewardship into academics, community outreach, and daily operations.</li> </ul>	<b>Life on Land</b> <a href="#">Link for CII Platinum Award certificate</a>
<b>SDG 16: Peace, Justice, and Strong Institutions</b> 	<ul style="list-style-type: none"> <li>SRHU fosters peace, justice, and strong institutional values through transparent governance, ethical research, and inclusive education policies.</li> <li>The university upholds integrity with strict anti-plagiarism rules, a code of ethics, and zero-tolerance policies on misconduct and harassment.</li> <li>It actively engages with communities via outreach programs and supports equitable access to education through scholarships and financial aid.</li> <li>Facilities like the Cadaveric Lab and Skill Simulation Centre promote ethical, skill-based medical training, advancing justice in healthcare delivery.</li> </ul>	<b>Peace, Justice, and Strong Institutions</b>
<b>SDG 17: Partnerships for the Goals</b>	<ul style="list-style-type: none"> <li>SRHU fosters impactful partnerships across academia, government, industry, and international bodies to drive sustainable development and innovation.</li> </ul>	

**17** PARTNERSHIPS  
FOR THE GOALS

- The university has trained over 9,000 individuals in water, sanitation, and livelihood programs, and supported 30,000+ people through healthcare and disaster relief efforts.
- Through MoUs with institutions like AIIMS, ICMR, IIT Roorkee, and global consortia, SRHU promotes collaborative research and global knowledge exchange.
- Incubation hubs, capacity-building programs, and inclusive community outreach make SRHU a regional leader in achieving SDG-17 and empowering social transformation.

**Partnership for  
goals**
