Dr. Amjad Husain
Director

Himalayan Centre for Innovation & Entrepreneurship

Date: 10 May 2025

Venue: Adi Kailash Auditorium

Speaker: Dr. Amjad Husain, Director, HCIE

Audience: MBBS Students – 2021 & 2023 Batches

Organizers:

- **Himalayan Centre for Innovation and Entrepreneurship (HCIE)**
- **Himalayan Institute of Medical Sciences (HIMS)**

Attendees:

- Dr. Anuradha Kusum, Vice-Principal, UG Medical Programme, HIMS
- MBBS Students from the 2021 & 2023 batches

Objective:

To introduce medical students to the fundamentals of entrepreneurship and inspire them to explore innovation-driven careers in healthcare startups.

Session Overview:

The session titled **“Doctor to Founder: How Medical Students Can Build the Next Big Startup”** featured a compelling talk by Dr. Amjad Husain, who shared insights on entrepreneurial thinking, innovation in healthcare, and the startup ecosystem at SRHU.

Key Segments:

1. Opening Address:

Dr. Anuradha Kusum welcomed the audience and introduced Dr. Husain, highlighting his contributions to the healthcare innovation landscape. She encouraged students to integrate technology and entrepreneurship with their medical expertise.

2. Talk by Dr. Amjad Husain:

- **Entrepreneurship Fundamentals:** Defined key traits of successful entrepreneurs – resilience, adaptability, and risk-taking.
- **Healthcare Startups:** Discussed emerging opportunities in digital health, telemedicine, biotech, and medical devices.
- **Challenges & Strategies:** Explored common hurdles in healthcare ventures and ways to navigate them.
- **Case Studies:** Shared success stories of healthcare startups that have made a significant impact.

- **Quantitative Business Exercise:** An interactive quiz based on a startup case study, where students **Akshat Pal** and **Manya Singhal** (2021 batch) emerged winners and received Lenovo tablets.

3. **Interactive Q&A:**

Students engaged with Dr. Husain, discussing startup ideas and seeking mentorship on early-stage entrepreneurship.

Key Takeaways:

- Students gained practical exposure to entrepreneurial thinking in the healthcare domain.
- The session demystified the startup journey and encouraged medical professionals to become healthcare innovators.
- Attendees learned about incubation support available at HCIE and how to build scalable solutions in healthcare.

Conclusion:

The session was an inspiring and insightful experience for students of the 2021 and 2023 batches. It successfully ignited interest in healthcare entrepreneurship and showcased the vital role of medical professionals in driving innovation. The event aligned with SRHU's vision of nurturing doctor-entrepreneurs who can transform patient care through impactful ventures.
