Minutes of the Curriculum Development Committee Meeting

Date: Tuesday, 11 February 2025

Time: 3:30 PM – 4:30 PM

Venue: Board Room, SMS

Chairperson: Dr. Som Aditya Juyal

Agenda

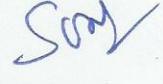

Briefing Session of the Curriculum Development Committee for Academic Programs offered at the School of Management Studies.

Discussion and Resolutions

1. A comprehensive review of the existing curricula for BBA, BCom, and MBA programs was undertaken in light of the latest UGC Guidelines, National Education Policy (NEP) 2020, and the National Credit Framework (NCrF) 2023. The board endorsed necessary revisions to ensure regulatory compliance and academic contemporaneity.
2. The Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) were thoroughly reviewed. A resolution was passed to ensure that at least 60% of Course Outcomes (COs) must align and be achieved as per the specified PO-PSO mapping matrix.
3. The Curriculum Feedback Report obtained from students, alumni, faculty, industry experts, and academic peers, along with the Action Taken Report (ATR), was shared and acknowledged by the Board. Constructive measures were noted as satisfactorily implemented.
4. The board reviewed proposals for Interdisciplinary Courses and endorsed their integration into the BBA, BCom, and MBA curricula to broaden learning outcomes and meet industry expectations.
5. Topics such as ethics, gender, environmental awareness, and human values were discussed for inclusion across multiple courses as part of cross-cutting curriculum enrichment.
6. The curriculum mapping exercise was presented to align existing courses with relevant Sustainable Development Goals (SDGs). The strategy was appreciated, and the Board suggested ensuring proper documentation of SDG-linked course components.
7. The board deliberated on innovations in assessment including Objective Structured Clinical Examination (OSCE), Objective Structured Practical Examination (OSPE), and Continuous Internal Assessment (CIA) models. It was resolved to explore their contextual adoption for improving academic assessment rigor.

The meeting concluded at 4:30 PM with a Vote of Thanks extended by the Chairperson to all members for their active participation and valuable contributions.
