To Whom It May Concern

This is to certify that Mr. Akhilesh Kumar has worked as Junior and later as Senior Research Fellow in my project "Development of DNA-marker based technique for *Cedrus deodara* for wood/timber forensics" from 2011 to 2014 (three years). He has also submitted his Ph.D. entitled "Age Class Distribution of Genetic Diversity in *Cedrus deodara* (Roxb.) G. Don and Identification of Region Specific Markers". on 27<sup>th</sup> Aug 2015 to Forest Research Institute (Deemed) University, Dehradun under my supervision.

He is a hardworking researcher who is capable of generating ideas and developing good research projects. He has assisted in conducting lab classes and training in molecular biology techniques for various trainees in my lab and also capable of teaching biotechnology students. He is very sincere and always shows great enthusiasm in learning new techniques. I am confident that Mr. Akhilesh Kumar would certainly be an asset to the organization he works with.

I wish him good luck in future endeavors.
