### To whomsoever It May Concern

This is to certify that Dr. Nupur Joshi has worked under the National Fisheries Development Board sponsored project "National Surveillance Program for Aquatic Animal Diseases" as a Senior Research Fellow for a period of almost 7 months, from July 19<sup>th</sup>, 2018 to February 10<sup>th</sup>, 2019. Under the project, she carried out experimental and laboratory activities and is well versed in microbiological and other techniques like PCR, genomic and plasmid DNA isolation, molecular characterization of fish pathogens, antimicrobial susceptibility testing, herbal studies against potential bacterial fish pathogens, histopathological studies, and immunological studies. I found her a good orator with excellent writing skills.

During her stay, Dr. Joshi also assisted in the documentation and organisation of several field-level programmes. Her words and research reflects the knowledge and sustained hard work she has put into her efforts.

To the best of my knowledge, she bears a good moral character. I wish her all success in her future endeavors.
